

Model Scottish Secure Tenancy Agreement

The Scottish Government has now published a model Scottish Secure Tenancy document following the changes introduced by the Housing (Scotland) Act 2014. New tenants who sign up to a Gardeen property will sign this new document from 1 May 2019. The Scottish Government decided that existing tenants will not be issued with a new tenancy agreement. If you have any queries about the new Act please contact Lyndsay or John at the office.
