

CCC

Children's  
Classic Concerts

A musical sporting extravaganza for  
all the family to celebrate Glasgow 2018

# Sound cycle

CITY HALLS, GLASGOW | FRIDAY 10 AUGUST 12pm & 2.30pm

[childrensclassicconcerts.co.uk](http://childrensclassicconcerts.co.uk)

## Children's Classic Concerts' Essential Orchestra and presenter Owen Gunnell are stepping up to the podium for a celebration of top tunes and medal-winning performances in this extra special family concert.

Cheer on different sections of the orchestra as they go for gold in a musical relay race, experience a synchronised swimming routine that's a stroke of genius and show off your freestyle moves in a game of musical statues – a CCC concert isn't a spectator sport, it takes teamwork from the audience!

And, you won't want to miss the highlight – the premiere of *Soundcycle*, a piece for bicycle and orchestra, by Tom Harrold, performed by world-champion percussionist, Colin Currie.

Children's Classic Concerts has a serious commitment to making music fun. Reaching more than 13,000 children and their families each year, our concerts range from symphony orchestra concerts to small ensemble concerts and cover classical, orchestral, folk and jazz music. We aim to provide interactive, inspirational experiences igniting a passion for live music in both the young and the old. Our performances will have the whole family dancing, singing and, most importantly, having fun!
