

# RECYCLE AND IMPROVE YOUNG PEOPLE'S LIVES

**Ahead of Global Recycling Day on 18th March Cash for Kids has teamed up with Textile Recycling International to encourage eco-friendly behaviour!**

We're looking to recycle textiles and clothing that might have gone to landfill, and by sending more to be recycled we can help protect our environment.

**Plus for every tonne collected Cash for Kids will receive £400 to help us continue our support for disadvantaged children! You can view a list of what we can and can't collect below.**

Around 1.75 million tonnes of clothing waste is produced in the UK every year, and about 1.2 million tonnes of this is sent unnecessarily to landfill. Help us get these numbers moving in the right direction!

If we can stop this, we'll directly help the environment and provide good quality clothing to some of the poorest developing nations in the world as well as supporting disadvantaged children here in the UK. And it's completely FREE to you!

Registrations are open now until Friday 18th March, so sign up your school, nursery, college, business or club today and run a recycling drive.

**Everyone who registers will receive a FREE digital recycling pack full of materials and information to help get pupils or staff involved.**
