

Winter Fuel Payment is Changing!

Unlike in previous years, not everyone of pension age will automatically receive it. Instead, it will be a means tested benefit that is only available to those who are of pension age **and** in receipt of certain benefits.

Who is eligible for the Winter Fuel Payment?

To receive a Winter Fuel Payment in 2024, you will now need to be born before 23 September 1958. You will also have to be in receipt of one of the following qualifying benefits during the week beginning the 16 September 2024:

- Pension Credit
- Universal Credit
- Income Support
- Income-related Employment and Support Allowance
- Income-based Jobseekers Allowance

Struggling with your energy bills or the Cost of Living this winter?

If you are struggling with your energy bills this winter or the cost of living, we might be able to help. We are running a special Winter Fuel Payment drop in. You don't need an appointment – just come along and speak to one of our advisors.
